Dear Donald-

It was a nice surprise  
to get the picture and I thank  
you very much as it will be  
put in all my keepsakes -

I think it is very good -  
Have had several callers in  
and they think it's good -

I want you and Robert  
to know how much I appreciate  
your visit the other day -

I love that kind of fellowship  
and hope you all will come  
again soon - Edith and I  
have always been such good  
friends -

Best regards to all -

Sincerely

Lois H. Curtis
